PPPRA QUANTITY NOTIFICATION (QN) AND LAYCAN

It has come to the attention of PPPRA that some Oil Marketing Companies applied for PPPRA **Quantity Notification (QN)** and **LAYCAN**, and proceeded to import petroleum products without obtaining the approved QN and LAYCAN.

2. Kindly recall that this practice is not in line with the import procedure as stated in the Appropriate Pricing Framework (APF) guidelines and that the prerequisite for importing petroleum products into the country is the issuance of Quantity Notification and LAYCAN by PPPRA.
3. In view of the foregoing, OMCs are hereby advised that the Agency will no longer process the request for nomination of Cargo Inspectors to witness discharge operations without PPPRA's approved QN and LAYCAN.
4. Please ensure immediate compliance.
